Release to allow us to communicate with your other provider

I [redacted] hereby allow Dr Andreas J. Edrich MD or his physician assistants to discuss any issues pertaining to my medical or mental/emotional/addiction condition(s) with the following provider(s):

[redacted]

regarding: [redacted]

Please note that the reason we would like to discuss medical/emotional or psychiatric conditions with your other provider(s) is that it will allow us to better understand your condition(s) and will allow us to better tailor your treatment to your needs. As usual, the principle of patient/provider confidentiality applies to these discussions.
